WHAT GUESTS ARE SAYING ABOUT MOUNTAIN SKY

FAMILIES

“Once again, Mountain Sky sets the standard for kindness, professionalism and generosity. We all benefit from being here. You have become part of our family’s history.” (*The Fitch family*)

“Mountain Sky: A buoyant, blissful state of mind. An appetite vanquished in style. Adventure with a smile. Thank you.” (*The Copelands*)

“We are still glowing from the most wonderful vacation of our lives! I can’t rave enough to everyone who asks about the trip. The ranch, the staff, the riding, the horses, the food and the kids program were the GREATEST! Thanks for a fabulous week.” (*Linda Rosenbloom*)

GROUPS

“Having to plan a trip for a group of 20, my experience with Mountain Sky was incredible right from the beginning. We had some pretty specific requirements and the only answer I ever received was, ‘Sure we can do that for you!’ They were an absolute dream to work with.

“The property itself is like heaven on earth, and the food...don't get me started, but let's just say magnificent. Accommodations and other amenities: just what you would expect from an upper-end dude ranch. They did not disappoint; every detail was covered.” (*Wendy Dunlap – SKYY Spirits National Accounts*)

“PERC has held more conferences than I can count at Mountain Sky. In returning I know the facilities will be great, the food will be outstanding, and the hospitality extraordinary. But I most appreciate feeling like I am returning to family every time I go back. That feeling started with my first visit. Thanks.” (*Terry L. Anderson; Executive Director, PERC*)

“When we looked around for the perfect place to hold *PAINTING MONTANA: A Painting Intensive*, Mountain Sky rose to the top immediately. Nothing else measured up – in many

areas: a team of happy, experienced and organized staff; stunningly beautiful location and accommodations; healthy, well-cared-for horses; and INCREDIBLE FOOD!

"I have never seen so many smiling faces and such warm and welcoming greetings in all my travels. Mountain Sky shows everyone else how to do it properly. This is truly the best of the best." (*Cassandra James, Master Painter*)

"The beauty, the people, the rides, the hikes, the food and the new relationships I've made – these are moments that will last forever ... until next year!" (*N. Mamann*)
